FINANCE & HUMAN RESOURCES COMMITTEE SUBJECT:Preliminary October 31, 2022<br/>Financial StatementsMEETINGDecember 4, 2023<br/>DATE:PREPARED BY:Amy Rottman, Chief Financial Officer

Significant revenue and expense variances that exceed \$100,000 and 5% of line item budget at the end of October, 2022 are explained as follows:

### REVENUE

• Local revenue is under budget by \$491,554, or 5%, due to budging the Performance Based Incentive Plan dollars we expect to earn from 2023 performance. If earned, the entire amount will be paid in Summer of 2024. We expect that this budget will be under budget until that amount is earned and received.

### EXPENDITURES

• There are no line items that exceed \$100,000 and 5% of line item budget.

### Executive Director – BOARD REPORT William J. Ward, December 2023

### Community Outreach

Last month Network180 continued to meet with the community; as well as statewide stakeholders. Network180 continues to meet with the Kent County Administrator to continue to keep open lines of communication. Additionally, Kent County always invites Network180 to the Quarterly Department Directors meeting to hear what is going on in other county departments; this quarters meeting was held at the Public Health Department. As part of Network180's Leaderships commitment to reengage with staff the Executive Director has been meeting with individual teams to congratulate them on their hard work and solicit feedback. This month the leadership met with the Systems Liaisons Team. Network180 is now meeting monthly with the Grand Rapids Housing Commission to plan for additional behavior needs at other affordable housing sites as well as discussions on how best to meet the needs of the unhoused of Kent County. Finally, Network180 has continued to meet with the Probate Judges quarterly to continue to improve the Assisted Outpatient Treatment (AOT) process.

### Helen DeVos Children's Hospital (HDCH)

In December of 2021, then Spectrum Health requested Network180's support in applying for 12 children's inpatient med/psych for HDCH. Network180 provided Spectrum with a letter of support to the State of Michigan's certificate of need committee and the State of Michigan granted this request the following year. Construction began last summer with an anticipated construction timeline of a year. Network180's executive leadership team toured the unit this month while under construction. This state-of-the-art facility will include a functioning classroom with a full-time teacher; as well as a full sized gym for the children during their stay at HDCH. When completed HDCH's inpatient unit will be the first of its kind in the State of Michigan offering both behavioral health and physical health within the same setting.

### Kent County State of the County

On November 2, Network180 attended the State of the County at DeVos Place. Network180 was highlighted for its work over the past year in its efforts on the creation of the Crisis Continuum. Specifically, highlighted was the Mobile Crisis Response work with the Kent County Sheriff's Department. Additionally, recognition was given in the efforts around the Behavioral Health Crisis Center. The Kent County Chair of the Board of Commissioners highlighted that this new resource would open its doors in April of 2024.
