VI. BOARD COMMENT

Mr. Matias has talked to many providers that are on the ground and their clients are feeling great stress from the seclusion. Clients are very scared. This is a unique opportunity for our agency to get into the niches that we have not been able to. He has noticed that Network180 staff has stepped up.

Commissioner Stek also recognized all of the staff for the response of Network180.

Ms. Dellenbusch, Commissioner Talen and Mr. Oberst all thank the staff for the response to the crisis.

Commissioner Stek asks for another Executive Committee meeting next Monday, 4/13 at 3:30 pm.

VII. ADJOURNMENT

Commissioner Stek adjourned the meeting at 4:09 pm.
